Bordeaux Brazza UCPA Sport Station

Archetype team - 09/05/2025

Paris-based office NP2F recently completed the Bordeaux Brazza UC PA Sport Station, with a floorarea of more than 15,700m² and a height of 20m (+ 20m for pra ctice), positioned at the entrance of the Brazza district. Transparent and open, this new, dynamic, youth and family-oriented sports facility stands as a welcoming sign echoing the profound mutation underw ay in this sector.
