Faculty of Architecture and Environmental Design

Archetype team - 30/08/2024

The architecture Practice Patrick Schweitzer & Associés responded to the international call launched by the Government of Rwanda in March 2012 for the construction of the new Faculty of architecture in Kigali. This school covers an area of 5,600 square meters and has the capacity to accommodate 600 students. It is located in the University of Rwanda's College of Science and Technology campus in Nyarugenge District. The works started in early 2017 and were completed at the end of 2017.
